A Note From Our Director

It is well into the month of March with April fast approaching. I am always amazed to watch as new life begins all around us. Trees blossom with rich green leaves, flowers bloom with vibrant colors and birds sing as spring time is ushered in. I enjoy watching the transformation from one season to the next, spring time being my favorite. It reminds me of how magnificent our Lord is. With all the abilities man possess, he does not have the ability to make such a transformation. As I think about the changes around us during this season, I am reminded of the change that was made in my life because of Jesus Christ. He was willing to lay down His life and die a cruel death that I might have eternal life. This Easter take time to teach your child the real meaning of Easter. Teach them at an early age how to love the Lord. The scripture says in Proverbs 22:6, "Train up a child in the way he should go and when he is old he will not depart from it."
